PARTICIPANT REQUEST FORM 2017-2018 SPORTS—Holy Name School

If you would like your child to participate in the sports program at Holy Name School, please complete, sign and return the following statement of consent and release of liability. As a parent or legal guardian, you remain fully responsible for any legal responsibility which may result from any personal actions taken by the named student.

I/we, the parent or legal guardian of _____ (print student's name) warrant that I/we request that said child participate in the sports program(s) at Holy Name School. I/we hereby release Holy Name Parish, Holy Name School Athletic Association, Holy Name School, the officers, directors and trustees of said organization, any manager, coach, instructor, umpire and referees in any such sports program(s) from any civil damages arising from any acts or omissions in conducting or sponsoring the sports program.

I/we understand it is the responsibility of the parent(s), legal guardian(s) to have a child physically reexamined if any condition(s) are present at the time of the initial physical which may be harmful to the child or any other reason(s) or condition(s) which may occur during the school year and especially during the time of participation in a said sport.

I/we understand it is the responsibility of the parent or guardian to provide and maintain adequate medical insurance for the named student. Any medical expenses that arise from a sports related injury will be the full responsibility of the parent/guardian.

I/we understand it is the responsibility of the parent or guardian to provide transportation to and from all practices and games.

I/we understand it is the responsibility of the child and parent to care for the uniform which is given to a team member from the Athletic Association. Any damage or misuse of the uniform will result in parent(s) or legal guardian(s) paying replacement cost. Uniforms are to be worn at school-sponsored games only.

I/we have read and agree to be governed by the following documents: *Parent and Student Handbook*.

I/we have read the above rules and regulations and request that my child be permitted to participate in the sports program(s) at Holy Name School as indicated below:

Player's Code of Conduct/Holy Name Athletics – 2017-2018

It is the goal of the Holy Name Athletic Association and its leagues to provide a positive and instructive environment for all participants. As a player, the responsibility lies with you to be willing to learn, play hard and be committed to your team. The player's, coach's and parent's adherence to this code will promote fair play, discipline and sportsmanship.

- I will play by and adhere to the rules of the game.
- I will have respect for the equipment, wear the proper equipment given and always wear the proper uniform in the proper intended way.
- I will not allow myself to display anger directed at an opposing player, coach, referee, teammate or myself. I understand that I will be ejected from the game for this type of behavior.
- I understand that if I intentionally throw the ball, piece of equipment or any other part of my uniform that I will be subject to ejection from the game.
- I will play hard but in a safe and responsible manner. I will not intentionally endanger any other player in any way.
- I will not use abusive or foul language nor participate in any form of trash talking or negative cheering.
- I will promote sportsman-like conduct, encouraging my team members to cheer positively and shake hands with all opposing players after each game. Fighting is an automatic ejection from the game with possible further consequences.
- I will accept the authority of all referees and game officials.
- I will treat all participants and teammates as I would like to be treated – **BULLYING WILL NOT BE TOLERATED**
- I will always cooperate with my coaches, teammates and opposition.
- I will participate for my own enjoyment, not just to please parents, coaches or other persons.
- I will be on time for practices and games. I will be a team player.
- I will respect my coaches, teammates, parents, fans, opponents and officials.
- I understand that if I am ejected from a game I am automatically suspended from the next game.
- As a parent I will adhere to all the rules on this list. If I do not, I will suffer the consequences as handed down by the Athletic Association and/or the league of play. 1st offense is ejection from game and 2nd offense is banned for the year.
- All teams will be held responsible for the conduct of their players, coaches, parents and fans by Holy Name Athletic Association, as well as the League in which they are playing rules and regulations.

**PIAA COMPREHENSIVE INITIAL
PRE-PARTICIPATION PHYSICAL EVALUATION**

INITIAL EVALUATION: Prior to any student participating in Practices, Inter-School Practices, Scrimmages, and/or Contests, at any PIAA member school in any school year, the student is required to (1) complete a Comprehensive Initial Pre-Participation Physical Evaluation (CIPPE); and (2) have the appropriate person(s) complete the first six Sections of the CIPPE Form. Upon completion of Sections 1 and 2 by the parent/guardian; Sections 3, 4, and 5 by the student and parent/guardian; and Section 6 by an Authorized Medical Examiner (AME), those Sections must be turned in to the Principal, or the Principal's designee, of the student's school for retention by the school. The CIPPE may not be authorized earlier than June 1st and shall be effective, regardless of when performed during a school year, until the latter of the next May 31st or the conclusion of the spring sports season.

SUBSEQUENT SPORT(S) IN THE SAME SCHOOL YEAR: Following completion of a CIPPE, the same student seeking to participate in Practices, Inter-School Practices, Scrimmages, and/or Contests in subsequent sport(s) in the same school year, must complete Section 7 of this form and must turn in that Section to the Principal, or Principal's designee, of his or her school. The Principal, or the Principal's designee, will then determine whether Section 8 need be completed.

B. **Understanding of eligibility rules:** I hereby acknowledge that I am familiar with the requirements of PIAA concerning the eligibility of students at PIAA member schools to participate in Inter-School Practices, Scrimmages, and/or Contests involving PIAA member schools. Such requirements, which are posted on the PIAA Web site at www.piaa.org, include, but are not necessarily limited to age, amateur status, school attendance, health, transfer from one school to another, season and out-of-season rules and regulations, semesters of attendance, seasons of sports participation, and academic performance.

Parent's/Guardian's Signature _____ Date ____/____/____

C. **Disclosure of records needed to determine eligibility:** To enable PIAA to determine whether the herein named student is eligible to participate in interscholastic athletics involving PIAA member schools, I hereby consent to the release to PIAA of any and all portions of school record files, beginning with the seventh grade, of the herein named student specifically including, without limiting the generality of the foregoing, birth and age records, name and residence address of parent(s) or guardian(s), residence address of the student, health records, academic work completed, grades received, and attendance data.

Parent's/Guardian's Signature _____ Date ____/____/____

D. **Permission to use name, likeness, and athletic information:** I consent to PIAA's use of the herein named student's name, likeness, and athletically related information in video broadcasts and re-broadcasts, webcasts and reports of Inter-School Practices, Scrimmages, and/or Contests, promotional literature of the Association, and other materials and releases related to interscholastic athletics.

Parent's/Guardian's Signature _____ Date ____/____/____

E. **Permission to administer emergency medical care:** I consent for an emergency medical care provider to administer any emergency medical care deemed advisable to the welfare of the herein named student while the student is practicing for or participating in Inter-School Practices, Scrimmages, and/or Contests. Further, this authorization permits, if reasonable efforts to contact me have been unsuccessful, physicians to hospitalize, secure appropriate consultation, to order injections, anesthesia (local, general, or both) or surgery for the herein named student. I hereby agree to pay for physicians' and/or surgeons' fees, hospital charges, and related expenses for such emergency medical care. I further give permission to the school's athletic administration, coaches and medical staff to consult with the Authorized Medical Professional who executes Section 6 regarding a medical condition or injury to the herein named student.

Parent's/Guardian's Signature _____ Date ____/____/____

F. **CONFIDENTIALITY:** The information on this CIPPE shall be treated as confidential by school personnel. It may be used by the school's athletic administration, coaches and medical staff to determine athletic eligibility, to identify medical conditions and injuries, and to promote safety and injury prevention. In the event of an emergency, the information contained in this CIPPE may be shared with emergency medical personnel. Information about an injury or medical condition will not be shared with the public or media without written consent of the parent(s) or guardian(s).

SECTION 3: UNDERSTANDING OF RISK OF CONCUSSION AND TRAUMATIC BRAIN INJURY

What is a concussion?

A concussion is a brain injury that:

- Is caused by a bump, blow, or jolt to the head or body.
- Can change the way a student's brain normally works.
- Can occur during Practices and/or Contests in any sport.
- Can happen even if a student has not lost consciousness.
- Can be serious even if a student has just been "dinged" or "had their bell rung."

All concussions are serious. A concussion can affect a student's ability to do schoolwork and other activities (such as playing video games, working on a computer, studying, driving, or exercising). Most students with a concussion get better, but it is important to give the concussed student's brain time to heal.

What are the symptoms of a concussion?

Concussions cannot be seen; however, in a potentially concussed student, **one or more** of the symptoms listed below may become apparent and/or that the student "doesn't feel right" soon after, a few days after, or even weeks after the injury.

- Headache or "pressure" in head
- Nausea or vomiting
- Balance problems or dizziness
- Double or blurry vision
- Bothered by light or noise
- Feeling sluggish, hazy, foggy, or groggy
- Difficulty paying attention
- Memory problems
- Confusion

What should students do if they believe that they or someone else may have a concussion?

- **Students feeling any of the symptoms set forth above should immediately tell their Coach and their parents.** Also, if they notice any teammate evidencing such symptoms, they should immediately tell their Coach.
- **The student should be evaluated.** A licensed physician of medicine or osteopathic medicine (MD or DO), sufficiently familiar with current concussion management, should examine the student, determine whether the student has a concussion, and determine when the student is cleared to return to participate in interscholastic athletics.
- **Concussed students should give themselves time to get better.** If a student has sustained a concussion, the student's brain needs time to heal. While a concussed student's brain is still healing, that student is much more likely to have another concussion. Repeat concussions can increase the time it takes for an already concussed student to recover and may cause more damage to that student's brain. Such damage can have long term consequences. It is important that a concussed student rest and not return to play until the student receives permission from an MD or DO, sufficiently familiar with current concussion management, that the student is symptom-free.

How can students prevent a concussion? Every sport is different, but there are steps students can take to protect themselves.

- Use the proper sports equipment, including personal protective equipment. For equipment to properly protect a student, it must be:
 - The right equipment for the sport, position, or activity;
 - Worn correctly and the correct size and fit; and
 - Used every time the student Practices and/or competes.
- Follow the Coach's rules for safety and the rules of the sport.
- Practice good sportsmanship at all times.

If a student believes they may have a concussion: Don't hide it. Report it. Take time to recover.

I hereby acknowledge that I am familiar with the nature and risk of concussion and traumatic brain injury while participating in interscholastic athletics, including the risks associated with continuing to compete after a concussion or traumatic brain injury.

SECTION 4: UNDERSTANDING OF SUDDEN CARDIAC ARREST SYMPTOMS AND WARNING SIGNS

What is sudden cardiac arrest?

Sudden cardiac arrest (SCA) is when the heart stops beating, suddenly and unexpectedly. When this happens blood stops flowing to the brain and other vital organs. SCA is NOT a heart attack. A heart attack may cause SCA, but they are not the same. A heart attack is caused by a blockage that stops the flow of blood to the heart. SCA is a malfunction in the heart's electrical system, causing the heart to suddenly stop beating.

How common is sudden cardiac arrest in the United States?

There are about 300,000 cardiac arrests outside hospitals each year. About 2,000 patients under 25 die of SCA each year.

Are there warning signs?

Although SCA happens unexpectedly, some people may have signs or symptoms, such as:

- dizziness
- lightheadedness
- shortness of breath
- difficulty breathing
- racing or fluttering heartbeat (palpitations)
- syncope (fainting)
- fatigue (extreme tiredness)
- weakness
- nausea
- vomiting
- chest pains

These symptoms can be unclear and confusing in athletes. Often, people confuse these warning signs with physical exhaustion. SCA can be prevented if the underlying causes can be diagnosed and treated.

What are the risks of practicing or playing after experiencing these symptoms?

There are risks associated with continuing to practice or play after experiencing these symptoms. When the heart stops, so does the blood that flows to the brain and other vital organs. Death or permanent brain damage can occur in just a few minutes. Most people who have SCA die from it.

Act 59 – the Sudden Cardiac Arrest Prevention Act (the Act)

The Act is intended to keep student-athletes safe while practicing or playing. The requirements of the Act are:

Information about SCA symptoms and warning signs.

- Every student-athlete and their parent or guardian must read and sign this form. It must be returned to the school before participation in any athletic activity. A new form must be signed and returned each school year.
- Schools may *also* hold informational meetings. The meetings can occur before each athletic season. Meetings may include student-athletes, parents, coaches and school officials. Schools may also want to include doctors, nurses, and athletic trainers.

Removal from play/return to play

- Any student-athlete who has signs or symptoms of SCA must be removed from play. The symptoms can happen before, during, or after activity. Play includes all athletic activity.
- Before returning to play, the athlete must be evaluated. Clearance to return to play must be in writing. The evaluation must be performed by a licensed physician, certified registered nurse practitioner, or cardiologist (heart doctor). The licensed physician or certified registered nurse practitioner may consult any other licensed or certified medical professionals.

I have reviewed and understand the symptoms and warning signs of SCA.
